It's just a hill of beans to some

Bums talking 6-figure shit, while they taking their lump

See I grew up on the hill

But still I keep ready

Had a mind of my own like Wes gave to Freddy

As Freddy got clipped, man, so did my youth

Spending nights with my rights, knocked to my tooth

Yeah, it scarred my soul

It fucked me up like vodka

Had me walking around mumbling shit like I was Latka

The Hill don't discriminate, they know who you are

If you make it over the edge then baby, you the star

The Big Top knows all the choices you chose

Both respected and feared by your friends and your foes

Chorus 1:

Now up on the Hill is where you find us Yeah, up on the Hill that shit is timeless Yeah, up on the Hill that burns the brightest Yeah, up on the Hill, up on the Hill

Chorus 2:

And up on the Hill is where you find us And up on the Hill that shit is timeless Yeah, up on the Hill there ain't no contest Yeah, up on the Hill, up on the Hill

Now go make your mound in an anthill, sonny
You be dead by 40, but you make a lotta money
A shot clock is dropped, choose when you choose
And if you ain't up on the Hill, you lose
Now damn the jokes and damn the torpedos
Live a life of your dreams, like boz did Lido
I said Lido, who-a-oh
I said one more time, ought to get it
Now look up, look up higher and see
It's not as hard as you figured it would be
Now 2 tons, 2 tons lighter
agreed, Now - if it's all right with you it's all right with me
