Let's Get Lost

Take me down, take me all the way down tonight Soon I'll be leaving Break me down, break me all the way down Before the night is over

Let's get lo-o-o-ost Let's get lo-o-o-ost What it is? What it could be? My imagination runs fast Only if you coming with me 4AM staying up past However long these drugs last Don't know why I live so fast They be telling me to slow down I be screamin' out "Fuck that"

I really want to take you down Moanin' is how I wanna make you sound Can't wait until I get you home Fuck that I wanna take you now Let's do it all Have a ball Hook up tonight in the ladies room stall Follow you there I'll let you make the call You can text all your friends say you'll see them tomorrow Well

Yeah, that's if you're down She'd never fucked the first night until now Let me plow, faded I'm drunk off the brown Stay up all night on the town Act like tomorrow just doesn't exist Time isn't real ain't shit on my wrist Let go of everything, then you have bliss Then she told me this

Take me down, take me all the way down tonight Soon I'll be leaving Break me down, break me all the way down Before the night is over

Let's get lo-o-ost Let's get lo-o-ost Let's get lost tonight You can be supreme Kate Moss tonight Turn up in a SoHo loft tonight Do drugs take ten shots tonight Awesome I'm naked with Naked & Famous jeans on the floor Livin' wild life you ain't seen this before You should give brains and I mean this for sure That's what genius is for

Beautiful girl that I just met on tour Another good girl that I'll probably destroy Her life was stable until she met me Sheltered and safe so she never gets free But she loves trouble she's drawn to the danger Never goes crazy, I bet I can change her I can make her fall in love with a stranger Switch up the pace, I don't mean Danny Granger Look

Can't wait til tomorrow Fine with today You're pretty as fuck And I'm trying to slay Let's do this right now is what I'm trying to say I could tell you don't love him You're dying to stray I do not give a fuck 'bout your ex I'm not looking for love I'm just looking for sex Tension between us had me feeling vexed Then she sent me a text

Take me down, take me all the way down tonight Soon I'll be leaving Break me down, break me all the way down Before the night is over

Let's get lo-o-o-ost Let's get lo-o-o-ost Oh oh...

That's that endless summer Never going back to school We do what we wanna Can't tell me no rules Every night on the town Going out all the time And I'm tryna take you down Only thing on my mind

Take me down, take me all the way down tonight Soon I'll be leaving
