

## Jacob's Blues

Gabe Bondoc

I know he's on, he's on your mind  
I know his name is on your lips at night

I'm trying to show that I'm strong  
I can hold you, he's always pulling away  
Well, I'm what you need  
He's what you want, no, not me

So I'll take my time, see if your love can be changed  
I won't rush this fight 'cause I know  
That your heart's still in pain

Sure, he was good, now he's gone, gone for good  
You deserve someone who'll stay  
And I'm what you need

You, you can stop waiting, please just be brave and trust me,  
I, I'll never leave you, I won't even see you trusting me

Sure, he was good, now he's gone, gone for good  
You deserve someone who'll stay  
And I'm what you need, I'm what you need  
Hey baby, I'm what you need  
But he's all you want, no, not me  
No, not me
