

# Slow Dancing Dans La Maison

Gabin

See you move cross the floor what do I do  
Well I can feel your desire baby  
And you can feel mine too  
And when the dj plays a tune that I like  
Well it's the kind of song I wanna hear all night

Slow dancin' yeh  
To feel the heat  
Slow dancin'  
to the beat

I can't pretend anymore  
I'm blue indeed  
I need to feel you body baby  
Close to me  
Now that we're face to face you know  
Somebody turned out the light  
But I can still feel the  
Burning in your eyes

Sloow dancin' yeh  
To feel the heat  
Slow dancin'  
To the beat
