Gaia Mesiah

**Ami**

Welcome to the ocean, welcome to the Earth  
Welcome to the new time, welcome to your life

**F E**

Welcome to the universe, it's your life

**Ami**

So Welcome, yeah Welcome

**Ami**

See my eyes, see my body and my soul 2x

**F E**

See my eyes, see my body and my soul

**Ami**

See my eyes, see my body and my soul

**F E**

Come inside of me, tell me what you see

**Ami**

Tell me what you see

**Ami**

Inspire my longing, get my desire

For the ocean, set me on fire

**F E**

Come inside of me, tell me what you see

**Ami**

Tell me what you see

**Ami**

See my eyes, see my body and my soul 2x

**F E**

See my eyes, see my body and my soul

You got a fire

**Ami**

**FIRE**

See fire

**F E**

**Burn Burn Burn**
