

## Meditation for the Saga

Galneryus

In the future, the human race is dropped in the cultural level  
by the strange power.  
and they are always in the agonizing.  
The ground is melted and all plants are approximately exterminated.  
The dictator dominates all people by the fear  
All hope seems to have been broken off and all dignity seemed to have been ruined  
But a few warriors decide to resist  
Holding a raging rage, they run through with the flag of the rebellion  
The story begins. The revolution comes  
You'll see the eternal saga of the justice
