

Big Bright World

Garbage

We are difficult to understand
It was hard to make this simple plan work
Difficult, but that's what made it burn

You're a satellite around my heart
One million miles before the start
Indescribable, but that's what makes it you

Shivers up and down my spine
Feet to the teeth
Inside this big, bright world
Inside this big, bright world
Inside this big, bright world
We rage against the dying
Rage against the dying light

You're mysterious, you make no sense
I love you cause you're innocent
You fell out through a hole inside the sun

So magnify the best inside me
Build the parts that you can't find me
The parts that won't give out when things get hard

Shivers up and down my spine
Feet to the teeth
Inside this big, bright world
Inside this big, bright world
Inside this big, bright world

Round and around in the setting sun
Round and around in the setting sun
Round and around in the setting sun
Round and around and around and around and around

Inside this big, bright world
Inside this big, bright world
Inside this big, bright world
Rage against the dying
Rage against the dying light

I'm with you
I'm with you
I'm with you
I'm with you
I'm with you
I'm with you
I'm with you
I'm with you
