## **The Thunder Rolls**

**Garth Brooks** 

Three thirty in the morning Not a soul insight The city's lookin' like a ghost town On a moonless summer night Raindrops on the windshield There's a storm moving in He's headin' back from somewhere That he never should have been And the thunder rolls And the thunder rolls

Every light is burnin' In a house across town She's pacin' by the telephone In her faded flannel gown Askin' for miracle Hopin' she's not right Prayin' it's the weather That's kept him out all night And the thunder rolls And the thunder rolls

The thunder rolls And the lightnin' strikes Another love grows cold On a sleepless night As the storm blows on Out of control Deep in her heart The thunder rolls

She's waitin' by the window When he pulls into the drive She rushes out to hold him Thankful he's alive But on the wind and rain A strange new perfume blows And the lightnin' flashes in her eyes And he knows that she knows And the thunder rolls And the thunder rolls

The thunder rolls And the lightnin' strikes Another love grows cold On a sleepless night As the storm blows on Out of control Deep in her heart The thunder rolls

[3rd Verse:] She runs back down the hallway To the bedroom door She reaches for the pistol Kept in the dresser drawer Tells the lady in the mirror He won't do this again Cause tonight will be the last time She'll wonder where he's been
