

# Lie to Me

Gary Barlow

So this is the last time we will be standing wall to wall,  
We were right to surrender,  
Soon we can walk through different doors,  
With a million reasons just to be apart,  
'til the morning comes and before the loneliness starts will you just,

Lie to me,  
Whisper the words that you don't mean,  
Share with me the love that you'll never feel,  
Baby lie to me,  
Show me the way we'll never be,  
And the tenderness that I'll never see,  
Baby lie to me,

I know what you're thinking but I don't believe we could go on,  
I know the feeling,  
The feeling inside when love has gone,  
Now the times upon us only pain can win,  
Baby one last time before the loneliness begins will you just,

Lie to me,  
Whisper the words that you don't mean,  
Share with me the love that you'll never feel,  
Baby lie to me,  
Show me the way we'll never be,  
And the tenderness that I'll never see,  
Baby lie to me
