Remember I Was Vapour

Gary Numan

Theres nothing here but us Theres nothing here but us Remember, I was vapour Remember, I was just like you Remember, I was liquid Remember, I was someone too Remember, I need others Remember, I need oxygen Remember, I need lovers Remember, I need to forget Remember, I am human Remember, I feel just like you Remember, I had reasons Remember, I had friends like you Remember, I grow tired Remember, I could end all this Remember, I have memories Remember, I need to forget
