

What A Day

Gemma Hayes

Five hours from now
You'll be sleeping
I'll be lying awake wondering
Did we make the right decision?

What a day
What a day we had
What a day
What a day we had

Brian and I decided
This year we'll make ourselves believe in everything
I don't know about you but I've had enough of trying to live th
rough doubt and

What a day
What a day we had
What a day
What a day we had

What a day
What a day we had
What a way to go

What a day
What a day we had
What a day
What a day we had

What a day
What a day we had
What a way to go
What a way to go
