

Los Angeles

Gene Clark

Los Angeles, city of the doomed
Los Angeles, city of the doomed
Well I loved you once but I gotta go yeah
San Francisco, city pretty by the bay
San Francisco, city pretty by the bay
Well I loved you once but I gotta go yeah
Well I don't know where she'll be going
Yeah I saw her about a day or so ago
Yeah I don't know if I should look for her

Well I'd say she's gone down to San Diego
Los Angeles, city of the doomed
Well I loved you once but I gotta go yeah
San Francisco, city pretty by the bay
San Francisco, city pretty by the bay
Well I loved you once but I gotta go yeah
End: Oh yeah, oh yeah, oh yeah
