

More Fool Me

Genesis

B **B6**

Here am I

Ebm

Who while away the mornings

Since you've gone

C#m **B6**

Too long have I lay alone

C#m7 **F#/C#**

Not knowing which way to turn

And there you are

Quite sure that you were right, hmm

Knowing full well

That I'd be the first one to go down

B4 **B**

And you'd be the one who was laughing

A/B **E**

Except when things weren't going your way

Asm7

And then the lady would say that she'd had enough

C#m7 **F#**

Wandering around on her own

B **B6**

The day you left

Ebm

Well I think you knew you'd not be back, hmm

C#m **B6**

Well at least it would seem that way

Eb4 **Eb**

Because you never said good-bye

B **B6**

But when it comes round to you and me

E **B**

I'm sure it will work out alright

B4 **B**

And you'd be the one who was laughing

A/B **E**

And giving me something I don't need

Asm7

And you know I'd always hold you and keep you warm

Eb4 **Eb**

Oh! more fool me

B **B6**

Ah, but when it comes round to you and me

E7+ **Asm7** **Asm6**

I ask myself do I really believe in your love

Asm7 **B**

And yes, I'm sure it will work out alright
