

# Rainy Days

Gentleman

This song is brand new...

Rainy days dem gone  
It's over now it's over now  
Through those raging storm  
We cover now we cover now  
Rainy days dem gone  
It's over now, it's over now  
Wicked man dem hafi calm  
Run for cover now for cover now

I remember how we used to sit  
Down worry 'bout life  
But true we confident  
We never ever give up the fight  
The music with the blessing  
And jah show we the light  
Hafi mek dem seh we move upright  
Watch deh clear the way  
And mek we buss weh like tide  
Babylon dem try fi track we tek the next flight  
A who dem try fi diss me wonder  
Who dem try fi fight

Yeah...right!

Rainy days dem gone  
It's over now it's over now  
Through those raging storm  
We cover now we cover now  
Cologne..how are you feelin'?  
Rainy days dem gone  
It's over now, it's over now  
Wicked man dem hafi calm  
Run for cover now for cover now

Now I am rising  
And smiling  
Leaving  
And jammin'  
Breaking  
The shackles around my neck  
Now I know how to trust in the sweet love  
No I got the keys to the door oh Lord  
And jah jah sweet light is shining in my heart

I've got to get myself together now  
Forgetting the past it's all 'bout the here and now  
Now I know I could make it if I try  
And jah never let my perseverance die  
'Cause I want to give my all and all

Rainy days dem gone  
It's over now it's over now  
Through those raging storm  
We cover now we cover now  
Rainy days dem gone

It's over now, it's over now  
Wicked man dem hafi calm  
Run for cover now for cover now
