

# Stand On My Own Two Knees

George Jones

I've tried everything I know to make you happy  
Never knew someone could be so hard to please  
Loving you is hard and I'm not sure I'll make it  
But at least I've learned how to stand on my own two knees.

I've still got my pride it's just that I misplaced it  
Anyway it's better lost that no one sees  
Maybe I'm not strong enough, right now, to hold you  
But at least I've learned how to stand on my own two knees.

It wasn't long ago you had me crawlin'  
Oh, but look how far I've come, can't you see  
Well, I know I'm still not walking tall but I'm trying  
And at least I've learned how to stand on my own two knees.

Yes, I know I'm still not walking tall but I'm trying  
And at least I've learned how to stand on my own two knees...
