

# Walk Through This World with Me

George Jones

Walk through this world with me go where I go  
Share all my dreams with me I need you so  
In life we search and some of us find  
And I've looked for you a long, long time

And now that I've found you new horizons I see  
Come take my hand and walk through this world with me

Walk through this world with me go where I go  
Share all the dreams with me I've searched for you so

And now that I've found you new horizons I see  
Come take my hand and walk through this world with me  
Come take my hand and walk through this world with me
