Carried Away

George Strait

I don't take my whiskey to extremes Don't believe in chasin' crazy dreams My feet are planted firmly on the ground But darlin' when you come around

I get carried away by the look by the light in your eyes Before I even realize the ride I'm on baby I'm long gone I get carried away nothin' matters but bein' with you Like a feather flyin' high up in the sky on a windy day, I get carried away.

It might seem like an ordinary night Same ol' stars, the same ol' moon up high But when I see you standin' at your door Nothin's ordinary anymore.

I get carried away by the look by the light in your eyes Before I even realize the ride I'm on baby I'm long gone I get carried away nothin' matters but bein' with you Like a feather flyin' high up in the sky on a windy day, I get carried away.
