

# Shouldn't Be Doing This

George Strait

**A** **E7**  
We really shouldn't be doin' this  
**A**  
And we both know why  
**E7**  
Just bein' close enough to think like this  
**A**  
Enough to make you need to lie  
**A7**  
This kind of talk will lead us to somewhere  
**D**  
We're getting way too close to go in there  
**Bm7** **E7**  
The farther off, the better to resist  
**A**  
We really shouldn't be doin' this  
**E7**  
Only an isolated incident  
**A**  
But the acquaintance left me stunned  
**E7**  
The first attraction was the hardest hit  
**A**  
I thought I'd ever overcome  
**A7**  
This kind of situation has to pass  
**D** **Bm7**  
This chance encounter has to be the last  
**E7**  
To take it farther we would be remiss  
**A**  
We really shouldn't be doin' this  
**E A E A**  
**A7**  
We'd each be hurtin' somebody else  
**D** **Bm7**  
If we don't say our goodbyes real fast  
**E7**  
Won't even think about a farwell kiss  
**A**  
We really shouldn't be doin' this  
**E7**  
Well-, We really shouldn't be doin' this  
**A**  
And we both know why
