

(That Don't Change) The Way I Feel About You

George Strait

My ol' pickup truck, seems it just can't keep up
And my boots, ain't as new as I'd like
But that don't change the way I feel about you
Just the way that you feel about me

Tomorrow's a new day, start changin' your old ways
You told me, this time and again
But I'm not the kind to ever give up on you
Just because you've done give up on me

I've tried and I've tried to keep you satisfied
I've given about all I can give
But that don't change the way I feel about you
Just the way that you feel about me

Spendin' and a offendin', never tendin' or mendin'
And talkin' about bein' a star
But you'd be surprised if you opened your eyes
And took a look to see just who you are

I've tried and I've tried to keep you satisfied
I've given about all I can give
But that don't change the way I feel about you
Just the way that you feel about me
