

# You Can't Make a Heart Love Somebody

George Strait

At a table for two with candlelight and wine  
That diamond burning holes in his pocket  
Thinking now's the perfect time  
When he popped the question he could see  
The teardrops fill her eyes  
She said I knew this was coming  
And I'm sorry, but I hope you realise

You can't make a heart love somebody  
You can tell it what to do but it won't listen at all  
You can't make a heart love somebody  
You can lead a heart to love but you can't make it fall

Then she reached for his hand and said I want you to know  
I've done everything that I know of  
To make the feeling roll  
I've begged and I've pleaded with my heart  
But there's no getting through  
My heart's the only part of me  
That's not in love with you

You can't make a heart love somebody  
You can tell it what to do but it won't listen at all  
You can't make a heart love somebody  
You can lead a heart to love but you can't make it fall

You can't make a heart love somebody  
You can tell it what to do but it won't listen at all  
You can't make a heart love somebody  
You can lead a heart to love but you can't make it fall  
You can lead a heart to love but you can't make it fall
