## You're Something Special to Me

## **George Strait**

As I hold you close tonight, hear what I say.
There's no doubt, it's love alright
'Cause I've never felt this way.
An angel's what you are, and now I see
You're not just someone else, you're something special to me.

Ev'ry man has a dream and you made mine come true.

How it happened I don't know or care.

I'm just happy I found you.

Wrapped in the arms of love is where I'll be

For all the world to see you're something special to me.

Ev'ry man has a dream and you made mine come true.

How it happened I don't know or care.

I'm just happy I found you.

Wrapped in the arms of love is where I'll be

For all the world to see you're something special to me.

It's all such a mystery, you're something special to me.
