

# In the Night Time

George Thorogood

Well I get up in the morning  
Kick the covers from my bed  
The sunlight in my eyes  
Playin' tricks on my head  
I work like a dog  
On the job every day  
Tryin' to make some money  
So I can go and play

In the night time  
Oh that's the right time  
I say the night time  
That's the right time  
I wanna be with you  
In the night time

Well I come home from work  
You know I'm tired of the beat  
I try to make some supper  
Get myself something to eat  
I jump in the shower  
Wash the world off my back  
I'm gonna get you baby  
That's a natural fact

In the night time  
Oh that's the right time  
I say the night time  
That's the right time  
I wanna be with you  
In the night time

Ah come here baby  
Got your radio turned down too low  
Turn it up so you can hear what I'm saying baby  
Now you got me turned on baby

Well eight hundred million people  
With nothing to say  
They run around in circles  
They just living the day  
Stick with me baby  
I'll show you how to fly  
We'll make some pretty music  
Watch the world go by

In the night time  
Oh that's the right time  
I say the night time  
That's the right time  
I wanna be with you  
In the night time
