

## Highest Power

GG Allin

Your god fucked me up the ass  
Jesus Christ sucked my fucking ass  
Your bible is such a piece of trash  
I am the highest power, the leader of the pack

Hail Mary is so full of shit  
Virgin Mary I'll rape that fucking clit  
Jesus Christ was the son of a bitch  
I am the highest power, the leader of the pack

Your church, let's burn it to the ground  
Priests and nuns, let's put them in the ground  
We don't need those lames to hold us back  
I am the highest power, the leader of the pack.
