Fun time in the city tonite Young girls make me feel alright Try to dance and IOll get you a pop Under those bright lights tonight, so

Come on now, lets get going
We got lots of things to do
One thing that I know is
Wedre gonna raise hell in New York City tonite

42nd street□s got what I need
Dark alleys and alot of disease
Hanging out on the lower east side
We don□t give a damn if we live or die, so

Come on now, let  $\square$ s get going
We got lots of things to do
One thing that I know is
We  $\square$ re gonna raise hell in New York City tonite

Whatcha gonna do about us tonite You can t control us and you better not try The city mine, the big apple of I Lets do it now and lets do it right, so

Come on now, lets get going
We got lots of things to do
One thing that I know is
Welre gonna raise hell in New York City tonite
Gonna raise hell in New York City tonite
Welre gonna raise hell in New York City tonite.
