Revolution

Ghostface Killah

And you talk about black criminals
Baby, no, we haven't had it this bad in a long, long time
And you talk about police violence? Police crimes?
There is a proliferation of police assaults on the black commun
ity, all over the country
We cannot succumb to the notion of history that prevails in thi
s country
Now, like the American Revolution, you know?
I mean, what is the American Revolution today?
You talk about revolution today?...
