## **Ghostface Killah**

Yes the shit is raw, coming at your door Start to scream out loud, Wu-Tang's back for more Yes the hour's four, I told you before Prepare for mic fights (and plus the cold war)

Be on the lookout for this mass murderous suspect
That fills more body bags than apartments in projects
And as far as the coroners know
The autopsy show, it was a Shaolin blow
Put on by my family brought to the academy
Of the Wu and learned how to
Fuck up yo' anatomy, steadily, calm and deadly
Spatter-head lyrics I lick through your transmit

MC's submit to the will as I kill your Juvenile freestyle, civilize the men-tal Devils worship this like an icon Bear-hugging mics with the grips of a python
