

At Your Own Risk

Glasseater

how can i love one thing?
welcome to my life
it's staring you right in the face
she said i didn't plan on falling for you
cards were dealt and now you're the victim?
how can i simply love on thing
without knowing everything
who's really to blame
i've been there and i've done all that
i can't just give in to what you want
these headaches aren't my idea of a good time.
my actions, emotions, feelings are on display
right off the bat, you knew
what you were getting into
welcome to my life.
