

# America

Glee Cast

Puerto Rico  
My heart's devotion  
Let it sink back in the ocean  
Always the hurricanes blowing  
Always the population growing  
And the money owing  
And the sunlight streaming  
And the natives steaming  
I like the island Manhattan  
Smoke on your pipe  
And put that in!

I like to be in America  
Okay by me in America  
Everything free in America

For a small fee in America

Buying on credit is so nice

One look at us and they charge twice

I have my own washing machine

What will you have to keep clean?

Skyscrapers bloom in America

Cadillacs zoom in America

Industry boom in America

Twelve in a room in America

Lots of new housing with more space

Lots of doors slamming in our face

I'll get a terrace apartment

Better get rid of your accent

Life can be bright in America

If you can fight in America

Life is all right in America

If you're a white in America  
Lalalala America, America

Here you are free and you have pride

Long as you stay on your own side

Free to be anything you choose

Free to wait tables and shine shoes

I like to be in America  
Okay by me in America  
Everything free in America

For a small fee in America

I like to be in America  
Okay by me in America  
Everything free in America

For a small fee in America

Lalalala America! [x4]
