

Fire and Rain

Glee Cast

Just yesterday morning they let me know you were gone
Suzanne, the plans they made put an end to you

I walked out this morning and I wrote down this song
I just can't remember who to send it to

I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again

Won't you look down upon me Jesus
You got to help me make a stand
You just got to see me through another day

My body's achin' and my time is at hand
And I won't make it any other way

Oh I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again.

Been walkin' my mind to an easy time
My back turned towards the sun
Lord knows when the cold wind blows
It'll turn your head around

Well, there's hours of time on the telephone line
To talk about things to come

Sweet dreams and flying machines in pieces on the ground

Oh, I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend

But I always thought that I'd see you, baby, one more time again now

One more time, one more time

Thought I'd see you one more time again (again)

There's just a few things comin' my way this time around now

But I always thought that I'd see you again
