Mother cannot guide you Now you're on your own Only me beside you Still, you're not alone No one is alone, truly No one is alone

Sometimes people leave you Halfway through the wood Others may decieve you You decide what's good You decide alone

But no one is alone (I wish)
I know

Mother isn't here now
(Wrong things, right things)
Who knows what she'd say?
(Who can say what's true?)
Nothing's quite so clear now
(Do things, fight things)
Feel you've lost your way?
(You decide, but)

You are not alone

Believe me No one is alone (No one is alone)

Believe me

Truly

You move just a finger
Say the slightest word
(Something's bound to linger
Be heard)
No one acts alone
(Careful)
No one is alone

People make mistakes

Fathers

Mothers

People make mistakes

Holding to (their own)
Thinking (they're alone)

Honor their mistakes (Fight for their mistakes) Everybody makes One another's terrible mistakes Witches can be right Giants can be good You decide what's right You decide what's good

Just remember (Just remember)

Someone is on your side (Our side) (Our side)

Someone else is not

Someone else is not

While we're seeing our side Maybe we forgot

They are not alone (They are not alone) No one is alone (No one is alone)

Hard to see the light now

Just don't let it go

Things will come out right now We can make it so

Someone is on your side (Someone is on your side) No one is alone
