

# The Scientist

Glee Cast

Come up to meet you,  
Tell you I'm sorry,  
You don't know how lovely you are  
I had to find you,  
Tell you I need you,  
Tell you I set you apart  
Tell me your secrets,  
And ask me your questions,  
Oh, let's go back to the start  
Runnin' in circles,  
Comin' up tails,  
Heads on the science apart  
Nobody said it was easy  
It's such a shame for us to part  
Nobody said it was easy,  
No one ever said it would be this hard  
Oh, take me back to the start  
I was just guessing,  
At numbers and figures,  
Pulling the puzzles apart  
Questions of science,  
Science and progress,  
Do not speak as loud as my heart  
But tell me you love me,  
Come back and haunt me,  
Oh, when I rush to the start  
Runnin' in circles,  
Chasin' our tails,  
Comin' back as we are  
Nobody said it was easy,  
Oh, it's such a shame for us to part  
Nobody said it was easy,  
No one ever said it would be so hard  
I'm goin' back to the start  
Nobody said it was easy  
No no no no (Yeah)  
(Oh!) Nobody said it was easy,  
No no no no (Nobody said it was easy)  
Nobody said it was easy  
No no no no (No!)  
Nobody said it was easy
