

We Are Young

Glee Cast

Give me a second, I, I need to get my story straight
My friends are in the bathroom getting higher than the Empire State
My lover he's waiting for me just across the bar
My seat's been taken by some sunglasses asking bout a scar, and

I know I gave it to you months ago
I know you're trying to forget
But between the drinks and subtle things
The holes in my apologies, you know
I'm trying hard to take it back

So if by the time the bar closes

And you feel like falling down
I'll carry you home

Tonight
We are young
So let's set the world on fire
We can burn brighter than the sun

Tonight
We are young
So let's set the world on fire
We can burn brighter than the sun

Now I know that I'm not all that you got
I guess that I
I just thought maybe we could find new ways to fall apart

But our friends are back
So let's raise a cup
'Cause I found someone to carry me home

Tonight
We are young
So let's set the world on fire
We can burn brighter than the sun

Whoa

Tonight
We are young
So let's set the world on fire
We can burn brighter than the sun

Carry me home tonight (Nananananana)
Just carry me home tonight (Nananananana)
Carry me home tonight (Nananananana)
Just carry me home tonight (Nananananana)

The world is on my side
I have no reason to run
So will someone come and carry me home tonight

The angels never arrived
But I can hear the choir

So will someone come and carry me home

Tonight

We are young

So let's set the world on fire

We can burn brighter than the sun

We are young, yeah

Tonight

We are young

So let's set the world on fire

We can burn brighter than the sun

So if by the time the bar closes

And you feel like falling down

I'll carry you home tonight
