

You Get What You Give

Glee Cast

One, two

One, two, three

Wake up kids
We've got the dreamers disease
Age 14 we got you down on your knees
So polite, we're busy still saying please

Frienemies

Who when
You're down ain't your friend

Every night

We smash their Mercedes-Benz

First we run and then

We laugh till we cry

But when the night is falling
You cannot find the light, (light)
If you feel your dreams are dying
Hold tight

You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget
We only get what we give

I'm coming home, baby

You're the top

Give it to me now

Four a.m. we ran a miracle mile
We're flat broke but hey we do it in style
The bad rich
God's flying in for your trial

But when the night is falling (falling)
You cannot, find a friend (find a friend)
You feel your tree is breaking
Just then

You've got the music in you
Don't let go
You've got the music in you
One dance left

This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget
We only get what we give

This whole damn world can fall apart
You'll be OK, follow your heart
You're in harms way I'm right behind
Now say you're mine

You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget
We only get what we give
Don't let go
I feel the music in you

Fly high, high
What's real can't die

You only get what you give

You gonna get what you give
Oh, yeah

Health insurance rip off lying
FDA big bankers buying
Fake computer crashes dining
Cloning while they're multiplying
Fashion shoots with Beck and Hanson
Courtney Love and Marilyn Manson
You're all fakes
Run to your mansions
Come around
We'll kick you down yeah!

Don't let go
You've got the music in you
Don't give up

You've got the music in you
(Oooooohh)
You've got the music in you
