

# Let It Be Me

Glen Campbell

I bless the day I found you  
I want to stay around you  
And so I beg you  
Let it be me

Don't take this heaven from one  
If you must cling to someone  
Now and forever  
Let it be me

Each time we meet, love  
I find complete love  
Without your sweet, sweet love  
What would life be?

So never leave me lonely  
Tell me you'll love me only  
And that you'll always  
Let it be me

Each time we meet, love  
I find complete love  
Without your sweet, sweet love  
What would life be?

So never leave me lonely  
Tell me you'll love me only  
And that you'll always  
Let it be me

Now and forever  
Let it be me
