Time in a Bottle

Glen Campbell

If I could save time in a bottle The first thing that I'd like to do Is to save every day 'til eternity passes away Just to spend them with you

If I could make days last forever If words could make wishes come true I'd save every day like a treasure and then Again I would spend them with you

But there never seems to be enough time To do the things you want to do once you find them I've looked around enough to know That you're the one I want to go through time with

If I had a box just for wishes Dreams that had never come true The box would be empty except for the memory Of how they were answered by you

But there never seems to be enough time To do the things you want to do once you find them I've looked around enough to know That you're the one I want to go through time with
