Monkey Man

Glenn Hughes

I don't, really want to suffer Earthquake, in the engine room Y ou scream, you don't get enough a I shake, when you pack the bo om

- You don't relay You don't accept You will be swept away I won't delay I only want to say
- I'll tell you something for nothin' I'm not your monkey man Now I'm gonna send you a letter Cuz I'm not your monkey man
- It's so real it's so real it's so real
- Glad rags, you have got me thinking You creep behind my back My bags have been packed, I'm swearin' I reap, just what you lack
- I won't delay I only want to say
- I'll tell you something for nothin' I'm not your monkey man Now I'm gonna write you a letter Cuz I'm not your monkey man
- It's for real It's for real it's for real
- You don't relay You don't accept You will be swept away I won't delay I only want to say
- I'll tell you something for nothin' I'm not your monkey man Now I'm gonna send you a letter Cuz I'm not your monkey man
- I'll tell you something for nothin' I'm not your monkey man Now I'm gonna write you a letter Cuz I'm not your monkey man
- It's for real It's for real it's for real
