

Still In Love With You

Glenn Hughes

Cause I'm still in love with you
What am I gonna do
All through the night
I've been waiting for you
Calling your name
Do you feel the same
Now the daylight has gone
How can I carry on?
Can I see your face, anytime anyplace?
Here in my room
Say you'll come back real soon
Cause I'm still in love with you
Yes, I'm still in love with you, you, you, you
