## It's Too Late

**Gloria Estefan** 

Stayed in bed all mornin' just to pass the time There's something wrong here, there can be no denyin' One of us is changin' Or maybe we've just stopped tryin'

And it's too late baby, now it' too late Though we really did try to make it Somethin' inside has died And I can't hide and I just can't fake it No, no, no, no

It used to be so easy living here with you You were light and breezy and I knew just what to do Now you look so unhappy and I feel like a fool

And it's too late baby, now it' too late Though we really did try to make it Somethin' inside has died and I can't hide And I just can't fake it No, no, no

There'll be good times again for me and you But we just can't stay together Don't you feel it too? Still I'm glad for what we had and how I once loved you

And it's too late baby, now it's too late Though we really did try to make it Somethin' inside has died and I can't hide And I just can't fake it No, no

Baby, it's too late now, darlin' It's too late Baby, it's too late
