There's a fire starting in my heart Reaching a fever pitch, and it's bring me out the dark Finally I can see you crystal clear Go ahead and sell me out and I'll lay your ship bare

See how I'll leave with every piece of you Don't underestimate the things that I will do There's a fire starting in my heart Reaching a fever pitch, and it's bring me out the dark

The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love they leave me breathless
I can't help feeling like could have had it all
Rolling in the deep
You had my heart inside of your hands
And you played it
To the beat

Baby, I have no story to be told But I've heard one of you and I'm gonna make your head burn Think of me in the depths of your despair Making a home down there as mine sure won't be shared

The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love they leave me breathless
I can't help feeling that we could have had it all
Rolling in the deep
You had my heart inside of your hands
But you played it
To the beat

We could of have had it all Rolling in the deep You had my heart inside of your hands But you played it With a beating

Throw your soul through every open door Count your blessings to find what you look for Turn my sorrow into treasured gold You pay me back in time and reap just what you sow

We could have had it all
We could have had it all
It all
It all
It all

We could of have had it all Rolling in the deep You had my heart inside of your hand And you played it To the beat

You could have had it all

```
Rolling in the deep
You had my heart inside of your hand

And you played it
You played it to the beat
```
