

## Orange and Black

### God Module

All the leaves have died  
All the faces on the pumpkins come to life  
He's coming home tonight  
There's no where in the world  
That you can hide from the shape  
Hiding in the closet  
The monster under your bed  
There's no way that you can stop this  
It's halloween and you're dead

Behind the mask behind his eyes  
There's nothing there but the evil that lies  
Waiting for the right time to come alive  
To take your life on  
Halloween
