

Kingdom Come

Godflesh

i'll give you space
as you chain me down
i won't let go
but you'll let me fall
i'll see your way
as you avoid mine
i'll give in
so you can walk on me
i'll close my eyes
so you can sew them shut
i'll keep the faith
or you'll crucify me
if i can believe
then you'll believe in me
