

## Paralyzed

Godflesh

From birth to death, just a slave,  
From birth to death, what am I,

I can't believe in myself,  
I can't see past myself,

Why should I fight  
why should I fight, turn my back,  
Nothing can hurt me if its not real,

From birth to death, it's all the same

From birth to death, just a slave,

Nothing can hurt me if it's not real,  
From birth to death, what am I,

From birth to death, I'm just the same
