

Spite

Godflesh

See me, Feel me, Hear me
You just ruin me
Hate me, Forget me, You don't see me
Come on feel my spite

See me, Feel, Hear me
You just fuck me
Hate me, Forget me, You don't see me
Come on feel my spite

Feel me, See me, You hear me
You just ruin me
Forget me, Hate me, You don't see me
Come on feel my spite

Come on suck my spite...

Come on feel my spite...
