## **Wonderlust King**

## **Gogol Bordello**

Back in the day yo as we learned A man was not considered to be Considered to be fully grown

Has he not gonna beyond the hills Has he not crossed the 7 seas Yeah, 7 seas at least

Now all them jokers kept around Just like the scarecrows in hometown Yeah, scarecrows in hometown From screen to screen, them travelin'

But I'm a wonderlust king
I stay on the run, let me out, let me be gone
In the world beat up road sign
I saw new history of a time, new history of time

Through Siberian woods breaking up their neck Breaking up their neck Chinese moving in building discotheques Building discotheques

Tran-Siberian sex toys and what not Yeah, why not? Oh well at least it's something different From what they got in every other airport

Ja ne evrei, no koje-chto pohozge Sovrat ne dast ni Yura ni Seryozga Simple because I'm not a total gadjo Da ja shut, ja tziratch, nu tak stozge?

I traveled the world looking for understanding Of the times that we live in Hunting and gathering first hand information Challenging definitions of sin

I traveled the world looking for lovers
Of the ultimate beauty but never settled in

I'm a wonderlust king
I stay on the run, let me out, let me be gone
In the world beat up road sign
I saw new history of a time, new history of time

And presidents and billionaires and generals They'll never know, they'll never know What I have owned, what I have owned

I'm a wonderlust king
