Gotta See Jane

Golden Earring

Red light, green light
Speedin' trough the dark night
Drivin' trough the poundin' rain
I gotta see Jane
Windshield, wiper splashin', splashin'
Callin' out her name
Just gotta see Jane

I left her arms to find my way
To find a place for me in the world outside
I wasn't alive, I could not survive
The frantic pace
The constant chase
To win the race
Turned my heart cold inside
I gotta find what I left behind

Red light, green light
Speedin' through the dark night
Drivin' through the poundin' rain
I gotta see Jane
Freeway, byway
Tearin' up the highway
Runnin' up a world insane
Just gotta see Jane

A ton of steel that isn't real
It could not feel what's in the heart of me
I was so alone in a world of stone
I missed her arms, that once held me
That made me see, I was the lonely one
But now and then I was runnin' scared

And I could feel the touch of time
Turnin' the wheel of life to yesterday
When love and happiness were mine
I gotta find that world of Jane and me
Liked it used to be

Oh, I gotta see Jane, Oh, I gotta see Jane

Her love for me I pushed aside
Walked out alone
To face a world turned cold
Although I tried I could not survive
The frantic pace
The constant chase
To win the race
It's not a part of me
I've gotta find what I left behind

Oh, I gotta see Jane, I gotta see Jane
