

Forgiveness

Goldfinger

So you've decided to blame him again
For all you choices
Seem like the softer way out
You think it just might make life easier
Than swallow will it
You've made a fine career out of guilt
Maybe he just did the best he could with what he had
Maybe he just did the best he could

Forgiveness forgiveness
Try and let it go why don't you
Forgiveness
Just might save yourself

Forgiveness forgiveness
Try and let it go why don't you
Forgiveness
Just might save yourself

So you've decided to blame him again
For all you choices
Seem like the softer way out
You think it just might make life easier
Than swallow will it
You've made a fine career out of guilt
Maybe he just did the best he could with what he had
Maybe he just did the best he could

Forgiveness forgiveness
Try and let it go why don't you
Forgiveness
Just might save yourself

Forgiveness forgiveness
Try and let it go why don't you
Forgiveness
Just might save yourself

Don't you know what comes around goes around
Don't you know what comes around goes around
Don't you know what comes around goes around
Don't you know what comes around goes around
Don't you know what comes around goes around
Don't you know what comes around goes around

Round and round and round and round and rouuund....

Forgiveness forgiveness
Try and let it go why don't you
Forgiveness
Just might save yourself

Forgiveness forgiveness
Try and let it go why don't you
Forgiveness
Just might save yourself

So you've decided to blame him again
For all you choices
Seem like the softer way out

Forgiveness forgiveness
Let it fucking go why don't you
Forgiveness
Starts with yourself
