I was always told that you have to have the balls to break down
Now I'm older I'm not too sure
I was always told that you had to have the high to low down
An expert told me back in the war

Open hearted surgery never works
So eat your words or hide 'em in the dirt
Cos' I don't need nobody to know me
I don't want nobody to know

So eat your words or hide 'em in the dirt
Cos' I don't need nobody to know me
I don't want nobody to know

I don't see nobody to show me
