

## Win Park Slope

Gomez

Welcome into the new wave  
I, I guess it's been ten years  
You gotta try to remember  
The weight of the tide  
You gotta try to remember  
The weight of the tide

Yes, yes, yes you look wonderful  
And, I, I look like I could use some rest

You gotta try to remember  
The weight of the tide  
You gotta try to remember  
The weight of the tide

I'm on my best behavior  
You wait for the drop  
Wait for the drop

Cuz I gotta win, gotta win, let me win, gotta win  
Gotta win, let me win, gotta win, gotta win  
Let me win, gotta win, gotta win, let me win  
Gotta win, gotta win, let me win, gotta win,  
Gotta win, let me win, gotta win, gotta win  
Let me win, gotta win, gotta win, let me win  
Gotta win, gotta win, let me win, gotta win  
Gotta win, let me win, gotta win, gotta win

You gotta try to remember  
The way things are  
You gotta try to remember  
the way things are

Win, gotta win, let me win, gotta win,  
Gotta win, let me win, gotta win, gotta win  
Let me win, gotta win, gotta win, let me win  
Gotta win, gotta win, let me win, gotta win,  
Gotta win, let me win, gotta win, gotta win  
Let me win, gotta win, gotta win, let me win  
Gotta win, gotta win, let me win, gotta win  
Gotta win, let me win, gotta win, gotta win
