1. As I walk through the valley  
H B Esmi  
of the shadow of LA  
Esmi C#  
The footsteps that were next to me  
H B Esmi  
have gone their separate ways  
Esmi  
I've seen enough now  
C#  
to know that beautiful things  
H B Esmi  
don't always stay that way

I've done enough now

isn't everything they say

C# Esmi  
X: I heard that evil comes disguised  
C#  
Like a city of angels  
Esmi  
I'm walking towards the light

Esmi H  
R: Baptized in the river  
F#  
I've seen a vision of my life  
C#  
And I wanna be delivered  
Esmi H  
In the city was a sinner  
F#  
I've done a lot of things wrong  
C#  
But I swear I'm a believer  
Esmi H  
Like the prodigal son  
F#  
I was out on my own  
C# Esmi  
Now I'm trying to find my way back home  
H  
Baptized in the river  
F#  
I'm delivered  
C# Dmi#

2. You're from a small town  
you're gonna grow up fast  
underneath these lights  
Down in Hollywood on the boulevard  
the dead come back to life  
To the praying Mother  
The worried Father  
Let your children go  
If they come back they'll come home stronger  
and if they don't you'll know

X: They sing that evil comes disguised  
Like a city of angels  
I'm walking towards the light
