

# Bang!

Gotthard

I've gone and found myself a master plan  
Gonna light that fuse  
You know, I ain't nothin' like the holy man  
But gonna give you the news

Is it me? Is it you? Qu'est-ce que c'est? Déjà vu?  
Understand?  
Gonna scream at the moon and you know  
We're gonna go with a bang, bang, aw, aw, aw, aw

Bang... Bang... Bangin' around... Bangin' around the world  
Nothing can stop this, don't even think twice  
Bang... Bang... Bangin' around... Bangin' around the world  
No compromising and no playing nice

So now you know about the master plan  
And what you got to lose?  
You know, we're all playing with an open hand  
And now you gotta choose

It's in me, it's in you, all the things that we do  
Join the band  
Gonna ride with the deuce, got the taste  
Here we go with a bang, bang, aw, aw, aw, aw

Bang... Bang... Bangin' around... Bangin' around the world  
Nothing will stop this, don't even think twice  
Bang... Bang... Bangin' around... Bangin' around the world  
No time for for questions, just take my advice  
Bang... Bang... Bangin' around... Bangin' around the world  
Nothing will stop this, roll out the dice  
Bang... Bang... Bangin' around... Bangin' around the world  
No compromising and no playing nice

Bang... Bang... Bangin' around... Bangin' around the world  
Nothing will stop this, don't even think twice  
Bang... Bang... Bangin' around... Bangin' around the world  
No time for for questions, just take my advice  
Bang... Bang... Bangin' around... Bangin' around the world  
Nothing will stop this, roll out the dice  
Bang... Bang... Bangin' around... Bangin' around the world  
No compromising and no playing nice
